

**\$1,750,000 DRIVE BEGUN
FOR Y. W. C. A. WAR WORK**

President Wilson Expresses Appreciation of Organization's Service in Letter Here.

The Young Women's Christian Association today officially begins a national campaign to raise \$1,750,000 to extend its work.

The campaign in this city was preceded by a meeting at the Hippodrome yesterday at which William F. Morgan, President of the Metropolitan Y. W. C. A., read a message from President Wilson, expressing his appreciation of the Y. W. C. A.'s war service.

The drive is to be under the auspices of the War Work Council of the Y. W. C. A., with headquarters at No. 600 Lexington Avenue. The money obtained is to be used for war work chiefly in and about the mobilization camps.

Rubbers! Rubbers! Rubbers!

It takes no stretch of imagination to realize that this is the most sensational sale of rubber footwear that this country has seen in at least three years.

With prices advancing steadily, and with the market practically bare of certain lines of rubber footwear, the Greenhut store, because of its policy of foresightedness, is able to announce

First Choice Is
Best Choice**

In Addition to Sweaters, This Biggest and Best of All Sales Includes 500 Pairs of Children's Zephyr Leggings, Colored Sweater Sets for Babies, and Children's Mackinaws

Considered from every angle, this is positively the biggest merchandising triumph that this store has announced from the Sweater Department since the beginning of the war. AND OUR THOUSANDS OF PATRONS KNOW THAT THIS STORE HAS BEEN THE CENTER FOR UNUSUAL VALUES.

Just think over these facts:
Wool is scarce—and the little that is to be had is bringing unheard-of high prices. Labor is scarce and very expensive. Transit conditions are the worst in years. And despite all these conditions, we find ourselves in the fortunate position of being able to advertise approximately \$15,000 worth of sweaters and leggings.

At Prices Which Average ½ of Today's Regular Quotations

This is even a greater sale than our December event, and that distribution was a whirlwind affair. The unexpected had to happen to make a sale like this possible.

From the Monarch Knitting Mills of Buffalo We Purchased All the Made-Up Sweaters on Hand, Including All the Show-Room and Salesmen's Samples

These goods are now in the store—they are being arranged for your choice, as this advertisement is being prepared, and tomorrow at 9 o'clock you have the opportunity of buying

**Women's and Misses'

These sweaters are made of Fibre, in the popular Shetland weave. Large sailor collars, shawl and shawl buttons add to the beauty of this style. Gold, Rose, Copenhagen and Sky.

**Women's and Misses'
Sweaters \$10.98**

What beautiful sweaters these are! In quality and style they are nice enough for the "First Lady of the Land." These are made of silk and wool; shawl or sailor collars; belts or sashes; full-fashioned; Copenhagen, Rose and Gold.

Here's Fair Warning! Whether you are interested in a sweater for this Winter or not, don't overlook this phenomenal opportunity to choose from the biggest varieties of high-class sweaters offered by any other store this season. It is more than likely that you will not see the equal of this sale for a long time to come. A purchase of one or two sweaters, even for next Winter's use, at the prices quoted in this sale, is really a splendid investment. Mail Orders will be filled only as long as assortments last, but preference will be given to those who attend the sale in person.
